\*Enrollment in our training program require an assessment.

**Helpful Hint #1:** Remember that ballet is the foundation to all styles of dance. Students must take at least one ballet class if they are enrolled in a technical style (jazz, lyrical, contemporary). Tap and Hip Hop do not require a ballet enrollment, but always help!

**Helpful Hint #2:** Dance is a language of the body; the more you speak it, the more fluent you become. Taking multiple classes per week is the best way for your dancer to continue to develop and grow technically

# PERFORMANCE OPPORTUNITIES

## **ANNUAL SPRING RECITAL:**

The annual recital is our end of the year celebration. All of our students are encouraged to participate. Each class learns and rehearses their own piece that will be performed on stage.

**THE NUTCRACKER:** Our annual production of The Nutcracker is for students at least 6 years old and are enrolled in at least 2 classes a week. Participation is based on an audition, which is held in August and the performance is the first weekend of December.

**TEAMS:** Our TEAMS provide intermediate and advanced dancers with the unique opportunity for development through advanced technique classes, cutting edge choreography, competitions and community performances. Auditions for our TEAMS are held during the summer. TEAMS perform in the styles of jazz, lyrical, contemporary, musical theater, tap & hip hop.

***\*Dancers must audition each year for The Nutcracker and Teams. Participation from previous years does not guarantee placement the following year.***
